

Board Priorities Policy

Policy BRD-001

Board Approved Motion #22-194 Date December 14, 2022
Review Cycle Annual
Last Review December 2022 Next Review June 2023

This policy sets out the Beaver Emergency Services Commission mission vision and guiding principles and its strategic priorities and guidelines for how they will be achieved.

Mission:

"We exist to provide emergency response within the boundaries of Beaver County through governance, coordination of funding and resources, communication and consultation with stakeholders".

Vision:

"Dedicated to working together for safe, prepared and protected communities"

Guiding Principles

We Believe In . . .

- Effectively working together in co-operation and collaboration
- Well trained volunteers and staff
- Identifying and understanding the needs of our stakeholders
- Maintaining tools and resources
- Open, clear, consistent and timely communication
- Valuing, respecting and recognizing our volunteers
- Projecting a professional image
- Taking pride in our roles
- Accountability and transparency

2022-2024 Strategic Priorities:

- Commission Board and Governance
- Operational Excellence and Practices
- Relationship with Fire Service Members
- Stakeholder Relations
- Documented Service Standards

Guidelines

In pursuing these priorities, the Board, and its management, will:

- Provide transparent and open communication;
- Meet or exceed standards and regulations;
- Maintain or exceed operational safety standards;
- Maintain or exceed operational fire standards;

To ensure strategic priorities and relevant and achieved

- Strategic priorities will be established every three years, reviewed annually in conjunction with the annual business plan review.
- Ongoing progress in achieving the strategic priorities will be monitored and reported at least quarterly at regular board meetings and key activities will be adjusted as necessary.
- Progress will also be reported in the annual report
